Who we are

Diri Al-Nassir for Security Services and Private Guards L.L.C. is an Iraqi private security company, founded in Mosul in 2023 and licensed by the Federal Ministry of Interior under Licence No. 206. We provide armed and unarmed static security, protective security details, a 24/7 operations room and security risk assessment for clients in oil and gas, energy, power and telecommunications, and for organisations operating in Iraq.

Our security operations management system is certified to ISO 18788 and ANSI/ASIS PSC.1 by MSS Global (certificate SMS/012026/001). We work to the International Code of Conduct and the Voluntary Principles on Security and Human Rights, with a public grievance mechanism open to anyone affected by our operations.
